**PROXY STATEMENT  
FOR 2018 ANNUAL MEETING OF STOCKHOLDERS  
To Be Held at 8:00 a.m. Pacific Time on June 19, 2018**

This proxy statement and the enclosed form of proxy are furnished in connection with the solicitation of proxies by our board of directors for use at our 2018 Annual Meeting of Stockholders (the “Annual Meeting”), and any postponements, adjournments or continuations thereof. The Annual Meeting will be held on June 19, 2018 at 8:00 a.m. Pacific Time at our principal executive offices, located at 4796 Executive Drive, San Diego, California 92121.

**QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING**

The information provided in the “question and answer” format below addresses certain frequently asked questions but is not intended to be a summary of all matters contained in this proxy statement. Please read the entire proxy statement carefully before voting your shares.

**Why am I receiving these materials?**

The board of directors is providing these proxy materials to you in connection with its solicitation of proxies for use at Otonomy’s Annual Meeting, which will take place on June 19, 2018. Stockholders are invited to attend the Annual Meeting and are requested to vote on the proposals described in this proxy statement. This proxy statement and the accompanying proxy card are being mailed on or about May 18, 2018 in connection with the solicitation of proxies on behalf of the board of directors.

**What proposals will be voted on at the Annual Meeting?**

There are two proposals scheduled to be voted on at the Annual Meeting:

- the election of two Class I directors to hold office until the 2021 annual meeting of stockholders or until their successors are duly elected and qualified; and
- the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018.

At the time this proxy statement was mailed, our management and board of directors were not aware of any other matters to be presented at the Annual Meeting other than those set forth in this Proxy Statement and in the notice accompanying this proxy statement.

**How does our board of directors recommend that I vote?**

The board of directors recommends that you vote:

- FOR the election of each of the two directors nominated by the board of directors and named in this proxy statement as Class I directors to serve for a three-year term; and
- FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018.

**Who is entitled to vote at the Annual Meeting?**

Holders of our common stock at the close of business on April 23, 2018, the record date for the Annual Meeting (the “Record Date”), are entitled to notice of and to vote at the Annual Meeting. Each stockholder is

---

## [Table of Contents](#)

entitled to one vote for each share of our common stock held as of the Record Date. As of the Record Date, there were 30,577,526 shares of common stock outstanding and entitled to vote. Stockholders are not permitted to cumulate votes with respect to the election of directors. The shares you are entitled to vote include shares that are (1) held of record directly in your name, and (2) held for you as the beneficial owner through a stockbroker, bank or other nominee.

### **What is the difference between holding shares as a stockholder of record and as a beneficial owner?**

*Stockholder of Record: Shares Registered in Your Name.* If, at the close of business on the Record Date, your shares were registered directly in your name with EQ Shareowner Services, our transfer agent, then you are considered the stockholder of record with respect to those shares. As the stockholder of record, you have the right to grant your voting proxy directly to the individuals listed on the proxy card or to vote in person at the Annual Meeting.

*Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee.* If, at the close of business on the Record Date, your shares were held, not in your name, but rather in a stock brokerage account or by a bank or other nominee on your behalf, then you are considered the beneficial owner of shares held in "street name." As the beneficial owner, you have the right to direct your broker, bank or other nominee how to vote your shares by following the voting instructions your broker, bank or other nominee provides. If you do not provide your broker, bank or other nominee with instructions on how to vote your shares, your broker, bank or other nominee may, in its discretion, vote your shares with respect to routine matters but may not vote your shares with respect to any non-routine matters. Please see "*What if I do not specify how my shares are to be voted?*" for additional information.

### **Do I have to do anything in advance if I plan to attend the Annual Meeting in person?**

*Stockholder of Record: Shares Registered in Your Name.* If you were a stockholder of record at the close of business on the Record Date, you do not need to do anything in advance to attend and/or vote your shares in person at the Annual Meeting, but you will need to present government-issued photo identification for entrance to the Annual Meeting.

*Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee.* If you were a beneficial owner at the close of business on the Record Date, you may not vote your shares in person at the Annual Meeting unless you obtain a "legal proxy" from your broker, bank or other nominee who is the stockholder of record with respect to your shares. You may still attend the Annual Meeting even if you do not have a legal proxy. For entrance to the Annual Meeting, you will need to provide proof of beneficial ownership as of the Record Date, such as the notice or voting instructions you received from your broker, bank or other nominee or a brokerage statement reflecting your ownership of shares as of the Record Date, and also present government-issued photo identification.

*Please note that no cameras, recording equipment, bags, briefcases or packages will be permitted in the Annual Meeting.*

### **How do I vote and what are the voting deadlines?**

*Stockholder of Record: Shares Registered in Your Name.* If you are a stockholder of record, you can vote in one of the following ways:

- **You may vote via the Internet.** To vote via the Internet, go to <http://www.proxyvote.com> to complete an electronic proxy card. You will be asked to provide the control number from the proxy card you receive. Your vote must be received by 11:59 p.m. Eastern Time on June 18, 2018 to be counted. If you vote via the Internet, you do not need to return a proxy card by mail.

---

## [Table of Contents](#)

- **You may vote by telephone.** To vote by telephone, dial toll-free 1-800-690-6903 and follow the recorded instructions. You will be asked to provide the control number from the proxy card. Your vote must be received by 11:59 p.m. Eastern Time on June 18, 2018 to be counted. If you vote by telephone, you do not need to return a proxy card by mail.
- **You may vote by mail.** If you would like to vote by mail, you need to complete, date and sign the proxy card that accompanies this proxy statement and promptly mail it to the tabulation agent in the enclosed postage-paid envelope so that it is received no later than June 18, 2018. You do not need to put a stamp on the enclosed envelope if you mail it from within the United States. The persons named in the proxy card will vote the shares you own in accordance with your instructions on the proxy card you mail. If you return the proxy card, but do not give any instructions on a particular matter to be voted on at the Annual Meeting, the persons named in the proxy card will vote the shares you own in accordance with the recommendations of the Board. The board of directors recommends that you vote **FOR** the election of each of the two directors nominated by our board of directors and named in this proxy statement as Class I directors to serve for a three-year term and **FOR** the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018.
- **You may vote in person.** If you plan to attend the Annual Meeting, you may vote by delivering your completed proxy card in person or by completing and submitting a ballot, which will be provided at the Annual Meeting.

*Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee.* If you are the beneficial owner of shares held of record by a broker, bank or other nominee, you will receive voting instructions from your broker, bank or other nominee. You must follow the voting instructions provided by your broker, bank or other nominee in order to instruct your broker, bank or other nominee how to vote your shares. The availability of Internet and telephone voting options will depend on the voting process of your broker, bank or other nominee. **As discussed above, if you are a beneficial owner, you may not vote your shares in person at the Annual Meeting unless you obtain a legal proxy from your broker, bank or other nominee.**

### **Can I change my vote or revoke my proxy?**

*Stockholder of Record: Shares Registered in Your Name.* If you are a stockholder of record, you may revoke your proxy or change your proxy instructions at any time before your proxy is voted at the Annual Meeting by:

- entering a new vote by Internet or telephone;
- signing and returning a new proxy card with a later date;
- delivering a written revocation to our Secretary at Otonomy, Inc., 4796 Executive Drive, San Diego, California 92121, by 11:59 p.m. Eastern Time on June 18, 2018; or
- attending the Annual Meeting and voting in person.

*Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee.* If you are the beneficial owner of your shares, you must contact the broker, bank or other nominee holding your shares and follow their instructions to change your vote or revoke your proxy.

### **What is the effect of giving a proxy?**

Proxies are solicited by and on behalf of our board of directors. The persons named in the proxy have been designated as proxy holders by our board of directors. When a proxy is properly dated, executed and returned, the shares represented by the proxy will be voted at the Annual Meeting in accordance with the instructions of the stockholder. If no specific instructions are given, however, the shares will be voted in accordance with the recommendations of our board of directors. If any matters not described in this proxy statement are properly

---

## [Table of Contents](#)

presented at the Annual Meeting, the proxy holders will use their own judgment to determine how to vote your shares. If the Annual Meeting is postponed or adjourned, the proxy holders can vote your shares on the new meeting date, unless you have properly revoked your proxy, as described above.

### **What if I do not specify how my shares are to be voted?**

*Stockholder of Record: Shares Registered in Your Name.* If you are a stockholder of record and you submit a proxy but you do not provide voting instructions, your shares will be voted:

- FOR the election of each of the two directors nominated by our board of directors and named in this proxy statement as Class I directors to serve for a three-year term (Proposal No. 1);
- FOR the ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018 (Proposal No. 2); and
- In the discretion of the named proxy holders regarding any other matters properly presented for a vote at the Annual Meeting.

*Beneficial Owners: Shares Registered in the Name of a Broker, Bank or Other Nominee.* If you are a beneficial owner and you do not provide your broker, bank or other nominee that holds your shares with voting instructions, then your broker, bank or other nominee will determine if it has discretion to vote on each matter. Brokers do not have discretion to vote on non-routine matters. Proposal No. 1 (election of directors) is a non-routine matter, while Proposal No. 2 (ratification of appointment of independent registered public accounting firm) is a routine matter. As a result, if you do not provide voting instructions to your broker, bank or other nominee, then your broker, bank or other nominee may not vote your shares with respect to Proposal No. 1, which would result in a “broker non-vote,” but may, in its discretion, vote your shares with respect to Proposal No. 2. For additional information regarding broker non-votes, see “*What are the effects of abstentions and broker non-votes?*” below.

### **What are the effects of abstentions and broker non-votes?**

An abstention represents a stockholder’s affirmative choice to decline to vote on a proposal. If a stockholder indicates on its proxy card that it wishes to abstain from voting its shares, or if a broker, bank or other nominee holding its customers’ shares of record causes abstentions to be recorded for shares, these shares will be considered present and entitled to vote at the Annual Meeting. As a result, abstentions will be counted for purposes of determining the presence or absence of a quorum and will also count as votes against a proposal in cases where approval of the proposal requires the affirmative vote of a majority of the shares present and entitled to vote at the Annual Meeting (*e.g.*, Proposal No. 2). However, because the outcome of Proposal No. 1 (election of directors) will be determined by a plurality vote, abstentions will have no impact on the outcome of such proposal as long as a quorum exists.

A broker non-vote occurs when a broker, bank or other nominee holding shares for a beneficial owner does not vote on a particular proposal because the broker, bank or other nominee does not have discretionary voting power with respect to such proposal and has not received voting instructions from the beneficial owner of the shares. Broker non-votes will be counted for purposes of calculating whether a quorum is present at the Annual Meeting but will not be counted for purposes of determining the number of votes cast. Therefore, a broker non-vote will make a quorum more readily attainable but will not otherwise affect the outcome of the vote on any proposal.

### **What is a quorum?**

A quorum is the minimum number of shares required to be present at the Annual Meeting for the meeting to be properly held under our bylaws and Delaware law. A majority of the shares of common stock outstanding and

---

## [Table of Contents](#)

entitled to vote, in person or by proxy, constitutes a quorum for the transaction of business at the Annual Meeting. As noted above, as of the Record Date, there were a total of 30,577,526 shares of common stock outstanding, which means that 15,288,764 shares of common stock must be represented in person or by proxy at the Annual Meeting to have a quorum. If there is no quorum, a majority of the shares present at the Annual Meeting may adjourn the meeting to a later date.

### **How many votes are needed for approval of each proposal?**

- *Proposal No. 1:* The election of Class I directors requires a plurality vote of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. This means that the two nominees who receive the most FOR votes will be elected. You may (i) vote FOR all nominees, (ii) WITHHOLD your vote as to all nominees, or (iii) vote FOR all nominees except for those specific nominees from whom you WITHHOLD your vote. Any shares not voted FOR a particular nominee (whether as a result of voting withheld or a broker non-vote) will not be counted in such nominee's favor and will have no effect on the outcome of the election. If you WITHHOLD your vote as to all nominees, you will be deemed to have abstained from voting on Proposal No. 1, and such abstention will have no effect on the outcome of the proposal.
- *Proposal No. 2:* The ratification of the appointment of Ernst & Young LLP requires an affirmative vote of a majority of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. You may vote FOR, AGAINST or ABSTAIN. If you ABSTAIN from voting on Proposal No. 2, the abstention will have the same effect as a vote AGAINST the proposal.

### **How are proxies solicited for the Annual Meeting and who is paying for such solicitation?**

Our board of directors is soliciting proxies for use at the Annual Meeting by means of the proxy materials. We will bear the entire cost of proxy solicitation, including the preparation, assembly, printing, mailing and distribution of the proxy materials. Copies of solicitation materials will also be made available upon request to brokers, banks and other nominees to forward to the beneficial owners of the shares held of record by such brokers, banks or other nominees. The original solicitation of proxies may be supplemented by solicitation by telephone, electronic communication, or other means by our directors, officers, employees or agents. No additional compensation will be paid to these individuals for any such services, although we may reimburse such individuals for their reasonable out-of-pocket expenses in connection with such solicitation. We do not plan to retain a proxy solicitor to assist in the solicitation of proxies.

If you choose to access the proxy materials and/or vote over the Internet, you are responsible for Internet access charges you may incur. If you choose to vote by telephone, you are responsible for telephone charges you may incur.

### **What does it mean if I received more than one Notice?**

If you receive more than one Notice, your shares may be registered in more than one name or in different accounts. Please follow the voting instructions on each Notice to ensure that all of your shares are voted.

### **Is my vote confidential?**

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within Otonomy or to third parties, except as necessary to meet applicable legal requirements, to allow for the tabulation of votes and certification of the vote, or to facilitate a successful proxy solicitation.

**I share an address with another stockholder, and we received only one paper copy of the proxy materials. How may I obtain an additional copy of the proxy materials?**

We have adopted a procedure approved by the Securities and Exchange Commission (the “SEC”) called “householding,” under which we can deliver a single copy of the proxy materials and annual report to multiple stockholders who share the same address unless we received contrary instructions from one or more of the stockholders. This procedure reduces our printing and mailing costs. Stockholders who participate in householding will continue to be able to access and receive separate proxy cards. Upon written or oral request, we will promptly deliver a separate copy of the proxy materials and annual report to any stockholder at a shared address to which we delivered a single copy of any of these documents. To receive a separate copy, or, if you are receiving multiple copies, to request that we only send a single copy of next year’s proxy materials and annual report, you may contact us as follows:

Otonomy, Inc.  
Attention: Secretary  
4796 Executive Drive  
San Diego, California 92121  
(619) 323-2200

Stockholders who hold shares in street name may contact their brokerage firm, bank, broker-dealer or other nominee to request information about householding.

**How can I find out the results of the voting at the Annual Meeting?**

Preliminary voting results will be announced at the Annual Meeting. In addition, final voting results will be published in a current report on Form 8-K that we expect to file within four business days after the Annual Meeting. If final voting results are not available to us at that time, we intend to file a Form 8-K to publish preliminary results and, within four business days after the final results are known to us, file an amendment to the Form 8-K to publish the final results.

**What is the deadline to propose actions for consideration at next year’s annual meeting of stockholders or to nominate individuals to serve as directors?**

*Stockholder Proposals*

Stockholders may present proper proposals for inclusion in our proxy statement and for consideration at the next annual meeting of stockholders by submitting their proposals in writing to our Secretary in a timely manner. For a stockholder proposal to be considered for inclusion in our proxy statement for our 2019 annual meeting of stockholders, our Secretary must receive the written proposal at our principal executive offices not later than January 18, 2019. In addition, stockholder proposals must comply with the requirements of Rule 14a-8 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”), regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Stockholder proposals should be addressed to:

Otonomy, Inc.  
Attention: Secretary  
4796 Executive Drive  
San Diego, California 92121

Our bylaws also establish an advance notice procedure for stockholders who wish to present a proposal before an annual meeting of stockholders but do not intend for the proposal to be included in our proxy statement. Our bylaws provide that the only business that may be conducted at an annual meeting is business that is (i) specified in our proxy materials with respect to such meeting, (ii) otherwise properly brought before the annual meeting by or at the direction of the Board, or (iii) properly brought before the annual meeting by a

stockholder of record entitled to vote at the annual meeting who has delivered timely written notice to our Secretary, which notice must contain the information specified in our bylaws. To be timely for our 2019 annual meeting of stockholders, our Secretary must receive the written notice at our principal executive offices:

- not earlier than March 4, 2019; and
- not later than April 3, 2019.

In the event that we hold our 2019 annual meeting of stockholders more than 30 days before or more than 60 days after the first anniversary of the date of the Annual Meeting, then notice of a stockholder proposal that is not intended to be included in our proxy statement must be received no earlier than the close of business on the 120th day before such annual meeting and no later than the close of business on the later of the following two dates:

- the 90th day prior to such annual meeting; or
- the 10th day following the day on which public announcement of the date of such annual meeting is first made.

If a stockholder who has notified us of his, her or its intention to present a proposal at an annual meeting does not appear to present his, her or its proposal at such annual meeting, we are not required to present the proposal for a vote at such annual meeting.

### *Nomination of Director Candidates*

You may propose director candidates for consideration by our corporate governance and nominating committee. Any such recommendations should include the nominee's name and qualifications for membership on our board of directors and should be directed to our Secretary at the address set forth above. For additional information regarding stockholder recommendations for director candidates, see "Board of Directors and Corporate Governance—Stockholder Recommendations for Nominations to the Board of Directors."

In addition, our bylaws permit stockholders to nominate directors for election at an annual meeting of stockholders. To nominate a director, the stockholder must provide the information required by our bylaws. In addition, the stockholder must give timely notice to our Secretary in accordance with our bylaws, which, in general, require that the notice be received by our Secretary within the time period described above under "Stockholder Proposals" for stockholder proposals that are not intended to be included in a proxy statement.

### *Availability of Bylaws*

A copy of our bylaws may be obtained by accessing our public filings on the SEC's website at [www.sec.gov](http://www.sec.gov). You may also contact our Secretary at our principal executive office for a copy of the relevant bylaw provisions regarding the requirements for making stockholder proposals and nominating director candidates.

**BOARD OF DIRECTORS AND CORPORATE GOVERNANCE**

Our business affairs are managed under the direction of our board of directors, which is currently comprised of seven (7) members. Our board of directors has affirmatively determined that six (6) of our seven (7) directors, and our director nominee, are independent within the meaning of the independent director requirements of The NASDAQ Stock Market LLC (“NASDAQ”). Our board of directors is divided into three classes with staggered three-year terms. At each annual meeting of stockholders, a class of directors will be elected for a three-year term to succeed the same class whose term is then expiring.

George J. Morrow, a Class I director, is not being nominated for reelection at the Annual Meeting. We thank Mr. Morrow for his service to the Company and our board of directors. Upon the recommendation of our corporate governance and nominating committee, we are nominating James B. Breitmeyer, M.D., Ph.D. and David A. Weber, Ph.D. If elected, Drs. Breitmeyer and Weber will each hold office for a three-year term until the annual meeting of stockholders to be held in 2021 or until their successors are duly elected and qualified.

The following table sets forth the names, ages as of March 31, 2018 and certain other information for the directors with terms expiring at the Annual Meeting (one of whom is also a nominee for election as a director at the Annual Meeting), for the new director nominee and for each of the continuing directors:

### **Director Independence**

Our common stock is listed on The NASDAQ Global Select Market. Under the rules of NASDAQ, independent directors must comprise a majority of a listed company's board of directors. In addition, the rules of NASDAQ require that, subject to specified exceptions, each member of a listed company's audit, compensation and nominating and governance committees be independent. Audit committee members and compensation committee members must also satisfy the independence criteria set forth in Rule 10A-3 and Rule 10C-1, respectively, under the Exchange Act. Under the rules of NASDAQ, a director will only qualify as an "independent director" if, in the opinion of that company's board of directors, that person does not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director.

To be considered independent for purposes of Rule 10A-3 and under the rules of NASDAQ, a member of an audit committee of a listed company may not, other than in his or her capacity as a member of our audit committee, our board of directors, or any other board committee: (i) accept, directly or indirectly, any consulting, advisory, or other compensatory fee from the listed company or any of its subsidiaries; or (ii) be an affiliated person of the listed company or any of its subsidiaries.

---

## [Table of Contents](#)

To be considered independent for purposes of Rule 10C-1 and under the rules of NASDAQ, the board of directors must affirmatively determine that the member of the compensation committee is independent, including a consideration of all factors specifically relevant to determining whether the director has a relationship to the company which is material to that director's ability to be independent from management in connection with the duties of a compensation committee member, including, but not limited to: (i) the source of compensation of such director, including any consulting, advisory or other compensatory fee paid by the company to such director; and (ii) whether such director is affiliated with the company, a subsidiary of the company or an affiliate of a subsidiary of the company.

Our board of directors has undertaken a review of its composition, the composition of its committees and the independence of our directors and considered whether any director has a material relationship with us that could compromise his or her ability to exercise independent judgment in carrying out his or her responsibilities. Based upon information requested from and provided by each director concerning his background, employment and affiliations, including family relationships, our board of directors has determined that none of Messrs. McGill, Morrow and Schroeder, Drs. Lichter and Preston, and Ms. Capps, representing six of our seven current directors, or our director nominee, Dr. Breitmeyer, has a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director, and that each of these directors and the director nominee is "independent" as that term is defined under the rules of NASDAQ. Our board of directors also determined that Ms. Capps (chairperson) and Messrs. McGill and Morrow, who currently comprise our audit committee, Mr. Morrow (chairperson), Dr. Lichter and Mr. Schroeder, who currently comprise our compensation committee, and Dr. Breitmeyer, who will join our audit committee and compensation committee if he is elected as a director at the Annual Meeting, satisfy the independence standards for committee members established by applicable SEC rules and the listing standards of NASDAQ.

In making these determinations, our board of directors considered the current and prior relationships that each non-employee director has with our company and all other facts and circumstances our board of directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director, and the transactions involving them described in the section titled "Related Party Transactions."

There are no family relationships among any of our directors or executive officers.

### **Board Leadership Structure**

Our board of directors is currently chaired by Dr. Lichter. As a general policy, our board of directors believes that separation of the positions of Chairman and Chief Executive Officer reinforces the independence of the board of directors from management, creates an environment that encourages objective oversight of management's performance and enhances the effectiveness of the board of directors as a whole. As such, Dr. Weber serves as our President and Chief Executive Officer while Dr. Lichter serves as our Chairman of the board of directors but is not an officer. We expect and intend the positions of Chairman of the board of directors and Chief Executive Officer to continue to be held by two individuals in the future.

### **Board Meetings and Committees**

During 2017, our board of directors held seven meetings (including regularly scheduled and special meetings), and each director attended at least 75% of the aggregate of (i) the total number of meetings of our board of directors held during the period for which he or she served as a director and (ii) the total number of meetings held by all committees of our board of directors on which he or she served during the periods that he or she served.

It is the policy of our board of directors to regularly have separate meeting times for independent directors without management. Although we do not have a formal policy regarding attendance by members of our board of directors at annual meetings of stockholders, we encourage, but do not require, our directors to attend. All directors then serving on our board of directors attended our 2017 annual meeting of stockholders.

All cash payments to non-employee directors will be paid quarterly in arrears on a prorated basis.

In addition, prior to February 2018, each non-employee director was automatically granted an initial award of a nonstatutory stock option to purchase 25,000 shares of our common stock effective on the date on which such person first became elected as a non-employee director. On the date of each annual meeting of our stockholders, each non-employee director who had been a non-employee director for three months or more on the date of the annual meeting was automatically granted a nonstatutory stock option to purchase 15,000 shares of our common stock. As of February 2018, the number of shares of our common stock granted pursuant to the initial award was increased to 35,000 shares and the number of shares of our common stock granted pursuant to the annual award was increased to 17,500 shares. Such initial award will vest as to one-third of the shares subject thereto on each anniversary of the initial award's grant date, provided that the director remains a service provider through the applicable vesting date. Such annual award will vest fully on the date of the next annual meeting held after the date of grant, provided that the director remains a service provider through the applicable vesting date.

Our 2014 Equity Incentive Plan (the "2014 Plan") provides that in the event of a merger or change in control, as defined in the 2014 Plan, each outstanding equity award granted under the 2014 Plan that is held by a non-employee director will fully vest, all restrictions on the shares subject to such award will lapse, and with respect to awards with performance-based vesting, all performance goals or other vesting criteria will be deemed achieved at 100% of target levels, and all of the shares subject to such award will become fully exercisable, if applicable.

The following table sets forth information regarding compensation earned by or paid to our non-employee directors during 2017:

The assumptions that we used to calculate these amounts are discussed in Note 9 to our audited consolidated financial statements for the year ended December 31, 2017 included in our Annual Report on Form 10-K for the year ended December 31, 2017. **PROPOSAL NO. 1  
ELECTION OF DIRECTORS**

Our board of directors is currently composed of seven (7) members. In accordance with our certificate of incorporation, our board of directors is divided into three classes with staggered three-year terms. At the Annual Meeting, two Class I directors will be elected for a three-year term to succeed the same class whose term is then expiring.

Each director's term continues until the election and qualification of such director's successor, or such director's earlier death, resignation, or removal. Any increase or decrease in the number of directors will be distributed among the three classes so that, as nearly as possible, each class will consist of one-third of our directors. This classification of our board of directors may have the effect of delaying or preventing changes in control of our company.

**Nominees**

Our corporate governance and nominating committee has recommended, and our board of directors has approved James B. Breitmeyer, M.D., Ph.D. and David A. Weber, Ph.D. as nominees for election as Class I directors at the Annual Meeting. If elected, each of Drs. Breitmeyer and Weber will serve as Class I directors until the 2021 annual meeting of stockholders or until their successors are duly elected and qualified. Dr. Weber is currently a director of our company, and each of the nominees has agreed to being named in this proxy statement. For information concerning the nominees, please see "Board of Directors and Corporate Governance."

If you are a stockholder of record and you sign your proxy card or vote over the Internet or by telephone but do not give instructions with respect to the voting of directors, your shares will be voted FOR the election of Drs. Breitmeyer and Weber. We expect that Drs. Breitmeyer and Weber will accept such nomination; however, in the event that a director nominee is unable or declines to serve as a director at the time of the Annual Meeting, the proxies will be voted for any nominee who shall be designated by our board of directors to fill such vacancy. If you are a beneficial owner of shares of our common stock and you do not give voting instructions to your broker, bank or other nominee, then your broker, bank or other nominee will leave your shares unvoted on this matter.

**Vote Required**

The election of Class I directors requires a plurality vote of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon to be approved. Broker non-votes will have no effect on this proposal.

**THE BOARD OF DIRECTORS RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF THE TWO DIRECTORS NOMINATED BY OUR BOARD OF DIRECTORS AND NAMED IN THIS PROXY STATEMENT AS CLASS I DIRECTORS TO SERVE FOR A THREE-YEAR TERM.**

**PROPOSAL NO. 2  
RATIFICATION OF APPOINTMENT OF  
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM**

Our audit committee has appointed Ernst & Young LLP, as our independent registered public accounting firm to audit our consolidated financial statements for our fiscal year ending December 31, 2018. Ernst & Young LLP has served as our independent registered public accounting firm since 2013.

At the Annual Meeting, stockholders are being asked to ratify the appointment of Ernst & Young LLP as our independent registered public accounting firm for our fiscal year ending December 31, 2018. Stockholder ratification of the appointment of Ernst & Young LLP is not required by our bylaws or other applicable legal requirements. However, our board of directors is submitting the appointment of Ernst & Young LLP to our stockholders for ratification as a matter of good corporate governance. In the event that this appointment is not ratified by the affirmative vote of a majority of the shares present in person or by proxy at the Annual Meeting and entitled to vote, such appointment will be reconsidered by our audit committee. Even if the appointment is ratified, our audit committee, in its sole discretion, may appoint another independent registered public accounting firm at any time during our fiscal year ending December 31, 2018 if our audit committee believes that such a change would be in the best interests of Otonomy and its stockholders. If the appointment is not ratified by our stockholders, the Audit Committee may reconsider whether it should appoint another independent registered public accounting firm. A representative of Ernst & Young LLP is expected to be present at the Annual Meeting, will have an opportunity to make a statement if he or she wishes to do so, and is expected to be available to respond to appropriate questions from stockholders.

permissible non-audit services performed by our independent registered public accounting firm in order to ensure that the provision of such services does not impair such accounting firm's independence. All fees paid to Ernst & Young LLP for our fiscal years ended December 31, 2016 and 2017 were pre-approved by our audit committee.

**Vote Required**

The ratification of the appointment of Ernst & Young LLP requires the affirmative vote of a majority of the shares of our common stock present in person or by proxy at the Annual Meeting and entitled to vote thereon. Abstentions will have the effect of a vote AGAINST the proposal.

## AUDIT COMMITTEE REPORT

*The information contained in the following Audit Committee Report shall not be deemed to be soliciting material or to be filed with the Securities and Exchange Commission, nor shall such information be incorporated by reference into any future filing under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended, except to the extent that Otonomy, Inc., or the Company, specifically incorporates it by reference in such filing.*

The audit committee serves as the representative of our board of directors with respect to its oversight of:

- our accounting and financial reporting processes and the audit of our financial statements;
- the integrity of our financial statements;
- our compliance with legal and regulatory requirements;
- inquiring about significant risks, reviewing our policies for risk assessment and risk management, and assessing the steps management has taken to control these risks; and
- the independent registered public accounting firm’s appointment, qualifications and independence.

The audit committee also reviews the performance of our independent registered public accounting firm, Ernst & Young LLP, in the annual audit of our financial statements and in assignments unrelated to the audit, and reviews the independent registered public accounting firm’s fees.

The audit committee is composed of three non-employee directors. Our board of directors has determined that each member of the audit committee is independent, and that Ms. Capps qualifies as an “audit committee financial expert” under the SEC rules.

The audit committee provides our board of directors such information and materials as it may deem necessary to make our board of directors aware of financial matters requiring the attention of our board of directors. The audit committee reviews our financial disclosures and meets privately, outside the presence of our management, with our independent registered public accounting firm. In fulfilling its oversight responsibilities, the audit committee reviewed and discussed the audited financial statements in our 2017 Annual Report with management, including a discussion of the quality and substance of the accounting principles, the reasonableness of significant judgments made in connection with the audited financial statements, and the clarity of disclosures in the financial statements. The audit committee reports on these meetings to our board of directors.

The audit committee has reviewed and discussed the Company’s audited consolidated financial statements with management and Ernst & Young LLP, the Company’s independent registered public accounting firm. The audit committee has discussed with Ernst & Young LLP the matters required to be discussed by Auditing Standard No. 1301, *Communications with Audit Committees*, issued by the Public Company Accounting Oversight Board (the “PCAOB”).

The audit committee has received and reviewed the written disclosures and the letter from Ernst & Young LLP required by the applicable requirements of the PCAOB regarding Ernst & Young LLP’s communications with the audit committee concerning independence and has discussed with Ernst & Young LLP its independence. In addition, the audit committee has discussed with Ernst & Young LLP its independence from management and the Company, including matters in the letter from Ernst & Young LLP required by PCAOB Rule 3526, *Communication with Audit Committees Concerning Independence*, and considered the compatibility of non-audit services with Ernst & Young LLP’s independence.

Based on the review and discussions referred to above, the audit committee recommended to our board of directors that the Company’s audited consolidated financial statements be included in the Company’s Annual

**EXECUTIVE COMPENSATION****Processes and Procedures for Compensation Decisions**

Our compensation committee is responsible for the executive compensation programs for our executive officers and reports to our board of directors on its discussions, decisions and other actions. Typically, our Chief Executive Officer makes recommendations to our compensation committee, often attends committee meetings and is involved in the determination of compensation for the respective executive officers who report to him, except that the Chief Executive Officer does not make recommendations as to his own compensation. Our Chief Executive Officer makes recommendations to our compensation committee regarding short- and long-term compensation for all executive officers (other than himself) based on our results, an individual executive officer's contribution toward these results and performance toward individual goal achievement. Our compensation committee then reviews the recommendations and other data and makes decisions as to total compensation for each executive officer other than the Chief Executive Officer, as well as each individual compensation component. Our compensation committee approves and makes recommendations to our board of directors for approval the compensation for the Chief Executive Officer. The independent members of our board of directors make the final decisions regarding executive compensation for the Chief Executive Officer.

Our compensation committee is authorized to retain the services of one or more executive compensation advisors, as it sees fit, in connection with the establishment of our compensation programs and related policies. In 2017, our compensation committee retained Radford, a national compensation consultant, to provide it with information, recommendations and other advice relating to executive compensation on an ongoing basis. Accordingly, Radford now serves at the discretion of our compensation committee. Our compensation committee engaged Radford to assist in developing an appropriate group of peer companies to help us determine the appropriate level of overall compensation for our executive officers, as well as assess each separate element of compensation, with a goal of ensuring that the compensation we offer to our executive officers is competitive and fair.

Our named executive officers for 2017, which consist of our principal executive officer and the next two most highly compensated executive officers, are:

- David A. Weber, Ph.D., President and Chief Executive Officer;
- Kathie Bishop, Ph.D., Chief Scientific Officer; and

We have entered into an employment agreement with Dr. Weber, effective as of August 13, 2014. The employment agreement has an initial term of 4 years, subject to earlier termination as provided in the employment agreement. Unless either party gives at least 90 days' notice prior to the expiration of the initial term or the then-current additional term, as applicable, the employment agreement shall be renewed for an additional term of 1 year, in each case, commencing on the expiration of the initial term or the then-current additional term, as the case may be, subject to earlier termination as provided in the employment agreement. In the event of a "change of control" (as defined in the employment agreement), if there is less than 12 months remaining in the initial term or then-current additional term, as applicable, the term will automatically extend until the 12-month anniversary following the change of control. Pursuant to the agreement, Dr. Weber will continue to serve as our President and Chief Executive Officer on an "at will" basis. Dr. Weber's base salary was \$530,000 during 2017 and was subsequently increased to \$545,900, effective as of January 1, 2018. He is eligible to receive an annual performance bonus with the target amount determined as 60% of his annual base salary and eligible to participate in employee benefit or group insurance plans maintained from time to time by us. Dr. Weber's employment agreement also provides that he will continue to serve as a member of our board of directors during the term of his employment subject to board and/or stockholder approval.

Pursuant to the employment agreement of Dr. Weber, if we terminate the employment of Dr. Weber other than for death, disability, or "cause" or Dr. Weber resigns for "good reason" (as such terms are defined in Dr. Weber's employment agreement), and, within 60 days following his termination, Dr. Weber executes a waiver and release of claims in our favor and resigns from all positions he may hold as an officer or director, Dr. Weber is entitled to receive (i) continuing payments of his then-current base salary for a period of 12 months, payable pursuant to our regular payroll procedures, (ii) an amount equal to a pro rata portion of his target annual bonus for the year of termination, payable in accordance with our regular payroll procedures, (iii) reimbursement of premiums to maintain group health insurance continuation benefits pursuant to "COBRA" for him and his respective dependents for up to 12 months, and (iv) additional vesting and exercisability as to any outstanding equity awards held by him as if he had remained our employee for an additional 24 months.

Pursuant to the employment agreement of Dr. Weber, if, within the 3 month period prior to or the 12 month period following a "change of control" (as defined in Dr. Weber's employment agreement), the employment of Dr. Weber is terminated under the circumstances described in the above paragraph and, within 60 days following his termination, Dr. Weber executes a waiver and release of claims in our favor and resigns from all positions he may hold as an officer or director, Dr. Weber is entitled to receive (i) a lump sum payment equal to 18 months of his then-current base salary, payable pursuant to our regular payroll procedures, (ii) a lump sum payment equal to 150% of the higher of (x) his full target annual bonus for the fiscal year of termination, or (y) his full target annual bonus for the fiscal year in which the change of control occurs, payable pursuant to our regular payroll procedures, (iii) reimbursement of premiums to maintain group health insurance continuation benefits pursuant to "COBRA" for him and his respective dependents for up to 18 months, and (iv) vesting acceleration of 100% with respect to any outstanding equity awards held by him on the date of his termination.

In the event any payment to Dr. Weber pursuant to his employment agreement would be subject to the excise tax imposed by Section 4999 of the Internal Revenue Code, as amended (the "Code") (as a result of a payment being classified as a parachute payment under Section 280G of the Code), Dr. Weber will receive such payment as would entitle him to receive the greatest after-tax benefit, even if it means that we pay him a lower aggregate payment so as to minimize or eliminate the potential excise tax imposed by Section 4999 of the Code.

***Kathie Bishop, Ph.D.***

We have entered into an employment agreement with Dr. Bishop, effective as of January 3, 2017. The employment agreement has an initial term of 4 years, subject to earlier termination as provided in the employment agreement. Unless either party gives at least 90 days' notice prior to the expiration of the initial term or the then-current additional term, as applicable, the employment agreement shall be renewed for an additional term of 1 year, in each case, commencing on the expiration of the initial term or the then-current additional term, as the case may be, subject to earlier termination as provided in the employment agreement. In the event of a "change of control" (as defined in the employment agreement), if there is less than 12 months remaining in the initial term or then-current additional term, as applicable, the term will automatically extend until the 12-month anniversary following the change of control. Pursuant to the agreement, Dr. Bishop will continue to serve as our Chief Scientific Officer on an "at will" basis. Dr. Bishop's base salary was \$321,458 during 2017 and was subsequently increased to \$355,000, effective as of January 1, 2018. She is eligible to receive an annual performance bonus with the target amount determined as 40% of her annual base salary and eligible to participate in employee benefit or group insurance plans maintained from time to time by us.

Pursuant to the employment agreement of Dr. Bishop, if we terminate the employment of Dr. Bishop other than for death, disability, or "cause" or Dr. Bishop resigns for "good reason" (as such terms are defined in Dr. Bishop's employment agreement), and, within 60 days following her termination, Dr. Bishop executes a waiver and release of claims in our favor and resigns from all positions she may hold as an officer or director, Dr. Bishop is entitled to receive (i) continuing payments of her then-current base salary for a period of 9 months, payable pursuant to our regular payroll procedures, (ii) an amount equal to a pro rata portion of her target annual bonus for the year of termination, payable in accordance with our regular payroll procedures, (iii) reimbursement of premiums to maintain group health insurance continuation benefits pursuant to "COBRA" for her and her respective dependents for up to 9 months, and (iv) additional vesting and exercisability as to any outstanding equity awards held by her as if she had remained our employee for an additional 12 months.

Pursuant to the employment agreement of Dr. Bishop, if, within the 3 month period prior to or the 12 month period following a "change of control" (as defined in Dr. Bishop's employment agreement), the employment of Dr. Bishop is terminated under the circumstances described in the above paragraph and, within 60 days following her termination, Dr. Bishop executes a waiver and release of claims in our favor and resigns from all positions she may hold as an officer or director, Dr. Bishop is entitled to receive (i) a lump sum payment equal to 12 months of her then-current base salary, payable pursuant to our regular payroll procedures, (ii) a lump sum payment equal to the higher of (x) her full target annual bonus for the fiscal year of termination, or (y) her full target annual bonus for the fiscal year in which the change of control occurs, payable pursuant to our regular payroll procedures, (iii) reimbursement of premiums to maintain group health insurance continuation benefits pursuant to "COBRA" for her and her respective dependents for up to 12 months, and (iv) vesting acceleration of 100% with respect to any outstanding equity awards held by her on the date of her termination.

In the event any payment to Dr. Bishop pursuant to her employment agreement would be subject to the excise tax imposed by Section 4999 of the Code (as a result of a payment being classified as a parachute payment under Section 280G of the Code), Dr. Bishop will receive such payment as would entitle her to receive the greatest after-tax benefit, even if it means that we pay her a lower aggregate payment so as to minimize or eliminate the potential excise tax imposed by Section 4999 of the Code.

## RELATED PERSON TRANSACTIONS

We describe below transactions and series of similar transactions, since the beginning of our last fiscal year, to which we were a party or will be a party, in which:

- the amounts involved exceeded or will exceed \$120,000; and
- any of our directors, nominees for director, executive officers or beneficial holders of more than 5% of our outstanding capital stock, or any immediate family member of, or person sharing the household with, any of these individuals or entities (each, a related person), had or will have a direct or indirect material interest.

### *Investors' Rights Agreement*

In connection with our sale and issuance of series D convertible preferred stock in April 2014, we entered into a third amended and restated investors' rights agreement with the holders of our convertible preferred stock, including Avalon Ventures and TPG Biotechnology Partners III, L.P. or entities affiliated with them and with which certain of our directors are affiliated, Vickie Capps, a member of our board of directors, and an entity affiliated with David A. Weber, Ph.D., a member of our board directors and our President and Chief Executive Officer. This agreement provides, among other things, that certain holders of our common stock have the right to demand that we file a registration statement or request that their shares of our common stock be covered by a registration statement that we are otherwise filing, as well as certain information rights and rights of first refusal.

### *Other Agreements*

In addition to the indemnification required in our amended and restated certificate of incorporation and amended and restated bylaws, we have entered into an indemnification agreement with each member of our board of directors and each of our officers. These agreements provide for the indemnification of our directors and officers for certain expenses and liabilities incurred in connection with any action, suit, proceeding or alternative dispute resolution mechanism, or hearing, inquiry or investigation that may lead to the foregoing, to which they are a party, or are threatened to be made a party, by reason of the fact that they are or were a director, officer, employee, agent or fiduciary of our company, or any of our subsidiaries, by reason of any action or inaction by them while serving as an officer, director, agent or fiduciary, or by reason of the fact that they were serving at our request as a director, officer, employee, agent or fiduciary of another entity. In the case of an action or proceeding by or in the right of our company or any of our subsidiaries, no indemnification will be provided for any claim where a court determines that the indemnified party is prohibited from receiving indemnification. We believe that these charter and bylaw provisions and indemnification agreements are necessary to attract and retain qualified persons as directors and officers.

We have entered into employment agreements with certain of our executive officers that, among other things, provide for certain severance and change of control benefits. For a description of employment agreements with our named executive officers, see "Executive Compensation—Executive Employment Agreements."

We have granted stock options to our named executive officers, other executive officers and certain of our directors. See "Executive Compensation—Executive Employment Agreements."

Other than as described above, since January 1, 2017, we have not entered into any transactions, nor are there any currently proposed transactions, between us and a related party where the amount involved exceeds, or would exceed, \$120,000, and in which any related person had or will have a direct or indirect material interest. We believe the terms of the transactions described above were comparable to terms we could have obtained in arm's-length dealings with unrelated third parties.

***Policies and Procedures for Related Party Transactions***

We have adopted a formal written policy providing that our audit committee will be responsible for reviewing “related party transactions,” which are transactions (i) in which we are or will be a participant, (ii) in which the aggregate amount involved exceeds or may be expected to exceed \$120,000 and (iii) in which a related person has or will have a direct or indirect interest. For purposes of this policy, a related person will be defined as a director, nominee for director, executive officer, or greater than 5% beneficial owner of our common stock and their immediate family members. In reviewing any related party transaction, our audit committee is to consider the relevant facts and circumstances available to our audit committee, including, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances, and the extent of the related party’s interest in the transaction. Under this policy, all related party transactions may be consummated or continued only if approved or ratified by our audit committee.

## OTHER MATTERS

### Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Exchange Act requires that our executive officers and directors, and persons who own more than 10% of our common stock, file reports of ownership and changes of ownership with the SEC. Such directors, executive officers and 10% stockholders are required by SEC regulation to furnish us with copies of all Section 16(a) forms they file.

SEC regulations require us to identify in this proxy statement anyone who filed a required report late during the most recent fiscal year. Based on our review of forms we received, or written representations from reporting persons stating that they were not required to file these forms, we believe that during our fiscal year ended December 31, 2017, all Section 16(a) filing requirements were satisfied on a timely basis, except for the following: one transaction that should have been reported on a Form 4 for each of Vickie Capps, Jay Lichter, Ph.D., Iain McGill, George J. Morrow, Heather Preston, M.D. and Theodore R. Schroeder, which transactions were reported on Forms 4 filed with the SEC on July 14, 2017.
