

Otonomy to Present at Raymond James 2020 Human Health Innovation Conference

June 11, 2020

SAN DIEGO, June 11, 2020 (GLOBE NEWSWIRE) -- Otonomy, Inc. (Nasdaq: OTIC), a biopharmaceutical company dedicated to the development of innovative therapeutics for neurotology, today announced that David A. Weber, Ph.D., president and chief executive officer, is scheduled to present a company overview at the Raymond James 2020 Human Health Innovation Conference (Virtual) on Thursday June 18, 2020 at 2:20 p.m. ET (11:20 a.m. PT).

A live audio webcast of the presentations will be available through the [Events](#) page of the company's website (www.otonomy.com).

About Otonomy

Otonomy is a biopharmaceutical company dedicated to the development of innovative therapeutics for neurotology. The company pioneered the application of drug delivery technology to the ear in order to develop products that achieve sustained drug exposure from a single local administration. This approach is covered by a broad patent estate and is being utilized to develop a pipeline of products addressing important unmet medical needs including Ménière's disease, hearing loss, and tinnitus.
